

Cresa is an international corporate real estate advisory firm that exclusively represents Tenants with an industry focus on the nonprofit community. As professional real estate advisors, we are passionate about understanding the needs of our clients and strive to deliver exceptional service for the long term. We collaborate with nonprofits to provide service-oriented rather than transaction-oriented counsel. By choosing to represent the interests of Tenants alone, Cresa avoids conflicts of interest.

As a company exclusively representing Tenants, Cresa is able to serve these ever-growing tenant needs through our three offices in DC, Maryland, and Virginia. Led by principals with a combined 60+ years of experience in the real estate industry specific to the DC region, Cresa has a proven track record of providing long-term business planning solutions which meets clients' real estate strategic needs and ultimately saves our clients' money.
