Summary of experience

Jeri has over 16 years of public accounting experience, specializing in audits of trade associations, member associations, charitable organizations, private schools, charter schools and other nonprofit organizations. She has extensive experience managing single audits and program audits for nonprofit organizations. She also has experience with nonprofit organizations with foreign affiliates audited in accordance with International Financial Reporting Standards (IFRS).

Jeri also has experience serving financial institution clients in certified audit, agreed-upon procedures, and Section 404 engagements for seven years, including work with other SEC companies. In addition, she worked for five years in the private sector, providing her with a detailed understanding of the day-to-day operating needs of her clients.

Jeri has significant experience assisting both nonprofit and for-profit businesses with a variety of critical issues related to internal controls, various compliance requirements and working closely with clients to address emerging and financial accounting and reporting issues.
